Every great institution depends on dedicated supporters who are willing to take their commitment beyond the occasional visit and become involved at a deeper level. For the Soyuzivka Heritage Foundation, that kind of commitment is essential—and can be exhibited in becoming a member of the Soyuzivka Heritage Foundation.

There will be many levels of membership, but at the heart of it all, members will be individuals who share the vision of the Soyuzivka Heritage Center as the epicenter of the Ukrainian North American community, members who desire to promote and preserve their cultural, educational, and historical Ukrainian American and Ukrainian Canadian heritage.

Since 1952, the Soyuzivka Heritage Center has been the hub of the Ukrainian North American community, a gathering place to which the descendants of the many waves of Ukrainian immigrants keep returning to experience their rich cultural heritage and to meet other Ukrainians. Today, in the establishment of the Soyuzivka Heritage Foundation, Ukrainian North Americans and supporters of the Soyuzivka Heritage Center join in their efforts to preserve this cultural jewel.

Members will be people who enjoy the Soyuzivka Heritage Center enough to want to give something back – to make a personal investment in its exhibits and programs, and renovation and preservation initiatives— for themselves and for their community. You can be sure that your membership commitment to the Soyuzivka Heritage Foundation, at any level of support, **WILL** make a difference.
