

Roma Pryma Bohachevsky Ukrainian Dance Camp
Medical Permission Form
Parental/Guardian Permission for the Administration of Medication

Camp staff may give non-prescription medications with parental permission.
The following guidelines must be followed:

1. 1. The camp staff must assess the child's complaint and symptoms to determine if other measures can be used before medication is to be given.
2. 2. The camp staff must be notified of any allergies, especially to medication, that your child has or any medication that your child takes on a regular basis.
3. 3. All medications (prescription and non-prescription) sent to the camp must be in the original container and must be kept with the camp nurse, with the exception of Emergency Medications and this is with Nurse approval. (This is the law)
4. 4. A record of medication given will be kept by the Nurse.
5. 5. Camp staff must use restraint at all times in the use of nonprescription medicines.

Please contact the office should you have any questions at 862-260-9124. Please sign either the permission or the refusal section.
